For each pair, READ both statements and decide whether friends mostly encourage you to do the one on the LEFT or the one on the RIGHT. Then, MARK AN "X" in one of the boxes on the side toward the statement you choose, depending on HOW MUCH your friends encourage you to do that ("A Little," "Somewhat" or "A Lot"). If you think there's no pressure from friends to do either statement, mark the middle ("No Pressure") box. Remember, mark just ONE "X" for each pair of statements.
